

**Goole Town Council**  
**Quick Reference Guide to Allotment Rules and Regulations**

Asbestos must not be brought onto site under any circumstances.

A Goole Town Council 'Buildings Request Form' must be completed and returned for approval for the erection of any structure or fence (see Section 3 of the General Rules and Regulations).

Only certain livestock is permitted, and only on certain allotment sites, and written consent for livestock must be obtained from Goole Town Council (see Section 2 of the General Rules and Regulations).

Written consent for the planting of trees must be obtained from Goole Town Council.

Photographs of the allotment's condition will be taken to ensure refund of bond. Providing the allotment is in no worse condition on termination of the tenancy the bond will be refunded.

Fires are not allowed prior to 7pm in the evening as not to cause undue nuisance to neighbouring houses etc.

All allotment rubbish must be disposed of in the correct manner and no rubbish of any description to be brought onto site from outside.

Please ensure the allotment number is displayed clearly at all times.

Monthly inspections are carried out to ensure all rules and regulations are adhered to. Failure to comply with any of the above will result in a Notice to Quit being issued.

**Thank you for your co-operation in this matter.**
