Councillor D Jeffreys informed Members that he has looked at the application and the planning consent has expired. This is an ongoing issue which has had many objections from neighbouring residents.

Mr Stephen Kearns thanked Councillors for their support and asked them to again forward their objections. He said that many letters and pictures are being sent showing flooding of the site.

Councillor Moore informed members that he has been involved in objecting to this application for ten years and nothing in this latest application has changed.

Councillor Moore **PROPOSED** that Members strongly object to the appeal as the developer has done nothing to sort the flooding risk.

This was **SECONDED** by Councillor D Jeffreys.

It was **RESOLVED** that Members strongly object to the appeal as the developer has done nothing to sort the flooding risk and that the Council's previous objections be re-iterated.
